

BRANGUS® Publications, Inc.

The *Brangus Journal* is the official publication of the International Brangus® Breeders Association (IBBA). An international publication mailed eight times a year, the *Brangus Journal* is a source of news and information for the Brangus breed. Subscribers can read all the latest in each issue:

- Current news about the beef cattle industry and how it affects Brangus breeders
- Brangus show and sale results
- Reports on IBBA meeting and activities
- Feature stories about successful breeders, commercial operations and issues impacting the purebred cattle industry
- Complete coverage of Brangus industry events
- A calendar of upcoming events

The *Brangus Journal* is also ideal to let the Brangus world know about your operation. Advertise to inform potential buyers about your cattle for sale, show off your herd bull battery or display the products of your breeding program.

The *Brangus Journal* also makes a great gift subscription to all your neighbors, bull buyers, and cattle customers.
