February 25, 2017

Navasota, Texas

- **84 Brangus[®] and Ultrablack[®] Bulls grossed \$318,650 to average \$3,390**

A standing-room-only crowd of enthusiastic buyers greeted the range-ready bulls of The Oaks Farm and Genetic partners at Navasota Livestock, Navasota, Texas at their recent Range Ready Bull Sale. The solid set of rancher bulls, developed with the end user in mind were snapped up at a rapid pace and unwavering attention to quality and power.

Lot 20, Oaks Online 209C23 was the day's top-selling bull at \$6,000. Out of a first-calf heifer that calved at two-years-and-one-day old, he boasted eight EPD traits that were breed average of above including top 10 percent REA and top 15 percent WW, YW and MF. He was purchased by Whitley Ranch, Brenham, Texas.

Whitley Ranch continued to dominate the quality selections when they purchased their choice of the next three high-selling bulls in lots seven, 15 and 19, all big-performing, high-performance EPD bulls with tremendous carcass potential.

At \$5,000, KTL Cattle, of Navasota, Texas, purchased the next high-selling bull when they paid \$5,000 to own Lot 34, Oaks Passport 541C27. This big-bodied Passport son dominated in terms of dimension and performance with six EPD traits ranking in the breed's top 30 percent or greater.

Also, selling for \$5,000 was Lot 38, Oaks Passport 99C71. Bronikowski Cattle Company, of Tomball, Texas, paid the bid price to own this Passport son out of a Csonka daughter. He projects top 10 percent IMF and top 20 percent REA and WW EPDs.

Double Six Cattle, also, paid \$5,000 when they won the bid on Lot 36, Oaks Passport 468C16. Another big-bodied Passport son, he presents outstanding carcass merit ranking in the breed's top 20 percent IMF and top 35 percent REA EPDs.

Lot 4, Oaks Csonka 803C52, also, fetched a bid price of \$5,000. This high-performing son of multiple trait leader, Csonka, featured eight EPD traits ranking in the breed's top 25 percent or greater. He sold to MS Ranch, of Lavon, Texas.
