The International Brangus Breeders Association (IBBA), headquartered in San Antonio, Texas, strives to provide the commercial cattle industry, domestically and internationally, with the best genetics possible. Founded in 1949 as the American Brangus Breeders, the organization has since evolved into the IBBA. The IBBA's purpose is to enable its members to produce quality beef for the commercial cattle industry and its consumers. For more information about IBBA, visit [gobrangus.com](http://gobrangus.com).
