a. Show Format Adaptations due to Covid Considerations

- Chairman Goode presented the guidelines that the IJBBA is adopting and stated that the IBBA will adopt them also for the Texas Invitational and Brangus Futurity. These will include:
 - ❖ Make up area, Exhibitor and Handlers only
 - ❖ 6' spacing in line up
 - ❖ No congregating along the side of the ring
 - ❖ Additional space between stall assignments
- ii. Fit or not fit: Goode opened a discussion of whether to fit or not to fit at the Texas Invitational. Both junior organizations, IJBBA and TJBBA have decided not to fit.
 - Discussion was held considering both sides. The primary points were:
 - ❖ Not to fit – not possible to socially distance while fitting
 - ❖ To Fit – shows later in the year will be full fit, so will it have been an equal playing field between fit and not fit shows when it comes to Show Animal of the Year standings.
 - A motion was presented to suspend fitting for the Texas Invitational and Brangus Futurity.
 - ❖ Motion made by Geary Stutts
 - ❖ Seconded by Don Cox
 - A roll call vote was held. Chairman Goode clarified that a “Yes” vote will suspend fitting, a “No” vote maintains the current rule and allows fitting to continue

Yes	No
Gary Buchholz Don Cox Mark Perry Geary Stutts	Carolyn Belden Callie Scott Gina Gill Allen Goode Mark Koehl Kody Lucherk Traci Middleton Myron Saathoff Sharee Sankey Katy Knox Wunderlich

- The motion failed by a vote of 4 “Yes” and 10 “No”. The current rule will stand.
- iii. Exhibitor Indemnity Form: Chairman Goode reported that the IBBA will have an indemnity form to be signed by all exhibitors, participants and show guests.
- b. Group Classes – Goode opened a discussion of if entry fees should be charged for Group Classes at the Texas Invitational and Brangus Futurity. We are attempting to grow entries in these divisions and provide awards but no premiums. Discussion and the general consensus is to not charge entry fees to encourage more participation in these divisions.
 - c. Standard of Excellence Show Rule Updates, Appendix A
 - i. Chairman Goode presented a draft of updates to the Standard of Excellence Show Rules. These updates are highlighted in bold font and include provisions previously voted on by the Committee or splitting of paragraphs to provide greater clarity.
 - ii. Chairman Goode pointed out that the Show Rules Violation Policy is out of date due to the following requirements:
 - If a protest is filed the current rules require a review by a committee that includes the Show Committee Chairman, Vice Chairman, a Executive Committee Liaison and appointed member.
 - The Show Committee currently does not have a Vice Chairman and the Executive Committee of the IBBA is no longer in place.
 - After some discussion a motion was presented that a protest for violations of show rules will be reviewed by a committee comprised

of the Show Committee Chairman and the 3 person Ethics Committee that had previously been appointed for the show. Also, a ruling by the committee may be appealed to the IBBA Board of Directors, however, the ruling will stand at the show in which the violation occurred. If the IBBA Board of Directors over turns the ruling of the Show Committee Ethics Committee, the exhibitor and or animal in question will be allowed to return to future shows.
