NEW CLASS BREAKS FOR JUNIOR AND SENIOR HEIFER AND BULL CALVES

Born September 1 and AFTER (All Show as 1 division) "Calf Division"

All Cattle born September 1st and after will be weighed and classed according to weight. Official weights will be taken the day prior to the show, by the Show Committee.

There will be three different weigh periods, the day before the B&O show, the owned show, and the Futurity Show. Animals will weigh according to when their first show is. For example, if an animal is showing the B&O or Percentage show then they will weigh the afternoon before that show and do not have to weigh again, but Futurity only cattle will weigh the day before the Futurity show. Cattle cannot weigh early.

Breaking Classes:

Cattle will be shown as one division and labeled as the "Calf Division"

The first class will be cattle less than 400 lbs

There will be no more than a 50 lb variance within a class (with the exception of class 1)

Maximum of 10 hd per class

A group of 3 show committee members will break the classes

The WDA along with DOB will be written on weight cards and displayed on back of show harness. Scrotal Circumference will also be provided on bulls.

**** It's the exhibitor's responsibility to get cattle on the scale at posted weigh in time.**
